Why Give to the Schuylkill United Way?

Over half of all Schuylkill County families receive assistance through at least 1 of the 15 Partner Agencies of the Schuylkill United Way.

99% of every dollar raised in Schuylkill County stays in Schuylkill County.

In 2013, over 1,200 backpacks were distributed to children in need through the Schuylkill United Way's Stuff the Bus program.

Schuylkill United Way Partner Agencies served over 100,000 people last year throughout Schuylkill County.

Your Donation WILL Make an Impact in the Community.

Administrative costs at the Schuylkill United Way are 17%, well below the state average of 25% for non-profit organizations.

All prizes used for Campaign incentives are donated at no cost to the Schuylkill United Way. This means your donation goes straight to those who need it.

In the last 5 decades, the Schuylkill United Way has raised 27 million dollars. All money raised is returned to the community through our Partner Agencies as they provide services at free or minimal cost.

Join the Schuylkill United Way for our 2015 Campaign and invest in the community of Schuylkill County.
