We started a new program!

Nurse's Pantry

Because of the generosity of so many in our community, we were able to expand our programs this year.

The ***Schuylkill United Way*** is very excited to pilot a new program, called "Nurse's Pantry" for the 2020-2021 school year.

We recognize that for a child living in poverty, a lack of basic necessities is one of the top reasons for chronic absenteeism. Families struggling financially may lack the ability to provide simple hygiene products and school approved attire, keeping children out of school for days.

The **Nurse's Pantry** will provide those items for children in need. All elementary schools in the county currently have a stocked **Nurse's Pantry** for this school year. We are very excited to be able to help students be better equipped to succeed in school!
