Helping Other People Everyday

We are so thankful for the support received for the
4th Annual High School Football Challenge,
held at North Schuylkill H.S. Ghosh Orthodontics Field
at Spartan Stadium.

Through sponsorships, grants, and donations, we raised
\$21,000 for our newest program, **Nurse's Pantry**.

All elementary school nurses in the county currently have a
pantry stocked with basic hygiene items and school approved attire.
Because of the generosity of so many, we are able to expand this
program and include middle and high schools for the
upcoming school year!

CHANGES AHEAD

HELPING OTHER PEOPLE EVERYDAY

www.SchuylkillUnitedWay.org

We are pleased to announce that effective July 1, 2021, Schuylkill Women in Crisis (SWiC) will be operating as the *Schuylkill Hope Center for Victims of Domestic Violence*.

The decision to change the name is in response to societal changes impacting the Schuylkill County community which SWiC has been dedicated to serving for nearly 40 years. SWiC has always noted that its free and confidential services are available to **ALL** victims regardless of gender. However, in recent years it has become clear that the name sometimes presented an unnecessary obstacle to those in need of agency services at a time when they may be most vulnerable and desperately in need of help.
