September 10, 2021

Dear United Way Supporter,

I am excited to share that our 2022 Schuylkill United Way Campaign is in full swing! We are so grateful for the generous support of our community over the years and hope we can count on you this year as well. Your ongoing support will allow our 15 Partner Agencies to continue their important work. It is through the generosity of donors like you that we are able to make so many remarkable improvements in our community. You are the critical link to making our county stronger and healthier.

Your donation to the Schuylkill United Way 2022 Campaign supports many initiatives, not just one. Your contribution can provide disaster relief services, mentors to youth, meals for senior citizens, life skills training, safety for abused women and children, activities to promote healthy living, and much, much more. Your support also allows us to provide backpacks to children in our local schools and those that are affiliated with our Partner Agencies through our “Stuff the Bus” program.

We are also very excited to announce the expansion of our newest program, the “Nurse’s Pantry” into the middle and high schools in the county. All funds raised from our High School Football Challenge will now support a pantry in every school in the county! This is in addition to the pantries that were added to all elementary schools last year. The Nurse’s Pantry provides hygiene items, lice kits, undergarments, district approved clothing items, and more to children in need. To discover more programs and services funded by the Schuylkill United Way, please visit our website at <http://www.schuylkillunitedway.org>.

We kindly ask you to invest in your community today through the Schuylkill United Way 2022 Campaign and help us reach our \$1,210,000 goal!

By making your pledge today, you will continue to give others the **H.O.P.E.** they need. **Remember, all of the dollars raised in our community will stay in our community to help build better lives.** Thank you for your consideration of this worthwhile endeavor!

Sincerely,

Ms Wendy Lazo
2022 Campaign Chairperson
