THANK YOU!

Businesses * Schools * Non-Profits * Friends & Family

A special part of our Day of Caring are the letter writing campaigns organized by schools, libraries, and other groups throughout the county. We thank everyone who wrote a letter of support to our first responders and our deployed military. Thanks to our friends at Operation Gratitude, your messages bring hope and encouragement to those who sacrifice so much for us.

The following locations organized letter writing campaigns this year:

Blue Mountain Elementary - East
 Schuylkill I.U. 29
 John S. Clarke Elementary
 Hegins/Hubley Elementary
 St. Clair Elementary/Middle School
 St. Joseph Center

SUW Capt. Jason B. Jones Memorial Day of Caring

MEET OUR 2023 CAMPAIGN CHAIR & ASSISTANT CHAIR

Mike Joyce and Dr. Gregory Koons

When asked, "Why Schuylkill United Way?," Mr. Joyce explained:

"In 1998, I moved to Schuylkill County to advance my career. My boss at the time, Henry Nyce, spent my first week introducing me to a lot of the business and community leaders in the County, and *the first person he took me to meet* was Clare Houser, then Executive Director of Schuylkill United Way. Henry told me that Clare led the most important organization in the County, *one that did the most good for the largest amount of people*. That statement really stuck with me and as I learned more about Schuylkill United Way and its partner agencies, I understood and appreciated what he meant.

Several years ago I was honored to be asked to join the board of directors of Schuylkill United Way, actually replacing Henry upon his retirement, and I got to thinking about that statement. I think he was right then, and *it still holds true today*. Schuylkill United Way is the most important organization in the County, doing the most good, along with its partner agencies, for the largest number of people. I'm proud to be part of it."

A generous gift...

The Schuylkill United Way recently received a generous donation from the estate of Carol Fey, RN.

Ms. Fey was a graduate of Pottsville High School and served as a registered nurse in Rochester, N.Y. and then Penn State Milton S. Hershey Medical Center, Hershey, until her retirement.

We are very grateful to Ms. Fey for trusting SUW to continue her work of serving others.
