

Pacesetter Club Chair, Patrick Kane, welcoming everyone to the annual reception.

Our Pacesetter's Chairman wishes to thank you for being a part of the United Way family. When you contribute to the Schuylkill United Way, your gift goes far, but not far away.

Every Pacesetter's gift remains in Schuylkill County to help our neighbors who may be experiencing difficulties in their lives. Your donation can directly impact the problems facing those in our communities.

The Pacesetter's Club

of the Schuylkill United Way is the roots from which the annual campaign grows and flourishes each year. Its members represent strength, determination, and reliability, and because of them, over half of the residents of Schuylkill County were helped by at least one of our partner agencies last year. That's why in Schuylkill County, we are proud to be united to make a difference!

Arrow Studio & Events saw many Pacesetter's mixing and mingling for the annual reception.

The Tree

The calm quiet strength of a tree

Reaching high in the sky

Full of life from its roots

To the tiniest branch

And oh, how it comforts me

How it teaches me

Without a sound

Showing anyone near

All the secrets of time

The calm quiet strength of a tree
